

UHCS REU Program on Multimedia Data Analytics

Program: The Department of Computer Science at UH will conduct a 10-week summer research program for undergraduate students in 2016. The program is designed to infuse qualified undergraduates with enthusiasm toward both graduate level education and a career in research.

Benefits:

- * A stipend of \$5,000
- * A travel allowance
- * GRE preparation courses
- * Room and board in an on-campus university dormitory.

Eligibility: No prior research experience is required

- * Enrolled in an accredited U.S. university or college
- * U.S. citizens or permanent residents
- * Knowledge of basic algorithms and data structures, plus a strong background in math.

Important Dates:

Deadline for applications: March 15th, 2016

REU Dates: June 6th – August 12th , 2016
