Vishal Parikh, 1987 - 2009

B.S., summa cum laude, Aerospace Engineering, UCLA 2009

Through the generosity of the Air Force Research Laboratory and the Parikh family and friends, the MAE Department is pleased to announce the continuation of a scholarship in memory of an extraordinarily talented UCLA student, Vishal Parikh of the Class of 2009, Aerospace Engineering. This merit-based scholarship of approximately \$2,200 is available for an undergraduate who has a particular interest in rocket propulsion systems. The recipient will also be eligible for a paid internship during the Summer of 2018 at the Air Force Research Laboratory, Edwards AFB, CA.

This scholarship/internship is designated for an undergraduate in Aerospace Engineering who will complete the B.S. degree in the Winter, Spring, Summer or Fall of 2019.

Application Procedure:

Please submit the following: (1) a copy of your unofficial UCLA transcript, (2) a one-to-two page resume, and (3) a 300 – 400 word essay on why you are interested in the field of rocket propulsion and on any experiences you have had in this field to date. Please indicate your citizenship status (U.S. citizen, U.S. permanent resident, non-citizen). Please send these materials electronically to:
